Chancellor's Message

I am delighted to extend my congratulations to the leadership, faculty and students of University of Sahiwal as they prepare for a new academic session. The upcoming academic year holds tremendous opportunities for growth and excellence. University of Sahiwal's commitment to innovative teaching methods and cutting-edge research in various fields is commendable. Faculty members are continuously enhancing their skills and expertise to provide students with the best education possible. The university's dedication to modernizing its infrastructure ensures that students have access to top-notch facilities for their studies. As Chancellor, I am confident that students at University of Sahiwal will have a fulfilling learning experience on the vibrant Green-Campus. Best wishes for the success of the new academic year ahead!

Sardar Saleem Haider Khan
Chancellor/Governor of the Punjab

Vice Chancellor's Message

As Vice Chancellor, I extend a warm welcome to the admission aspirants of the University of Sahiwal. This public-sector university is accredited by the Higher Education Commission (HEC) and provides students with education in all modern fields. We utilize our immense dedication in ensuring that each individual receives an exceptional educational experience which places a strong focus on contemporary trends within their respective field of study. Our faculty puts vast effort into providing diligent guidance and oversight throughout each student's course of study for maximum success.

I am pleased to announce that our University offers the students excellent and comprehensive educational services, as well as a vast selection of extracurricular activities. Our admissions policy ensures equal opportunity for all deserving individuals according to their abilities and backgrounds. We are devoted to ensuring equity regardless of financial means, social background or ethnicity. Our courses are constructed and taught by skilled professionals who recognize the specific requirements of every pupil. Furthermore, we offer a variety of possibilities for extracurricular pursuits including sports teams, literary or art appreciation societies, in addition to a media club. Our institution is steadfast in its commitment to knowledge creation through research and innovation, as well as providing our students with a dynamic learning environment. We aspire to cultivate a culture of research and innovation amongst our student body, so that they may have access to the most advanced understandings while enrolled here.

The University of Sahiwal's modern infrastructural development includes a central mosque, a library with an abundance of resources, science and computer-labs, hostels, transportation facilities and sports grounds for the students' convenience, in addition to a women development center and technology incubator. It is thus unsurprising that we are on the path to becoming one of the most desired universities in Pakistan. Let us join forces and enable these innovations to be spread far and wide. I wish you the utmost success in all your endeavors.

Professor Dr. Javaid Akhtar

Vice Chancellor,

University of Sahiwal

University Administration

The Syndicate is the executive body of the University, and the Academic Council is its main academic body. The Governor of the Punjab is the Chancellor of the University, whereas the Minister for Education, Government of the Punjab is the Pro-Chancellor of the University. The Principal Executive and Academic Officer of the University is the Vice-Chancellor, who is assisted by the Chairmen/Chairpersons of the Departments, Directors of the Institutes/Centre, and the four Principal Officers of the University – the Additional Registrar, the Additional Treasurer, the Additional Controller of Examinations, and the Project Director. There are many other officers who assist the main administration of the university in its smooth working. These officers include Resident Auditor, Director Students Affairs, Resident Officer, Director IT, Director Estate Management, Director ORIC, Incharge Maintenance, Incharge Library, Incharge Transport, Hostel Superintendent and Incharge Horticulture and Plantation.

Controller of Examination's Office

Controller of Examinations Office is established to manage the affairs of examinations, declaration of semester results, result notifications, issuance of provisional result cards, final Transcript / Diploma after the completion of all formalities / requirements and award of degrees. This office plays a key role to hold the examinations as per following laid down tasks. Look after the affairs of examinations as per requirements and notified Semester rules and regulations.

Supervise examinations / administration of tests. Implementation of decisions of Semester Implementation Committee, Unfair Means committee, Equivalence or discipline committee. Making notifications for the results of students. Maintaining strict security level of the official work. Preparation of results, notifications, transcripts and degrees.

Mission

Effective evaluation and assessment of students' performance is a key component of University education. The office of Controller of Examinations is running an efficient and reliable examination system for the students of the University. We aim to provide the best possible services to the students without compromising the standard and sanctity of examinations. The office of the Controller of Examinations guards the standards of quality in the conduct of Examination at Under Graduate, and Postgraduate levels, while enforcing rules and regulations of Semester System. This office deals with the matters of students of University to conduct of Examinations, Notification of Results, Issuance of Detailed Marks Sheets, Provisional Certificates and Verification of Transcripts and Degrees.

Quality Enhancement Cell (QEC)

The University of Sahiwal is a newly established public sector university, dedicated in its commitment to impart quality education to the people of Sahiwal and its adjacent localities. To uphold and adhere to the standards of excellence in teaching and research an initiative was taken by the University to establish a Quality Enhancement Cell (QEC). In support of QEC, the Higher Education Commission (HEC) has provided financial support to establish Quality Enhancement Cells at university level, particularly for public sector universities. Hence in compliance with the regulatory requirement and realizing the need of the hour, the University of Sahiwal formally established a Directorate of Quality Enhancement in 2018.

The Directorate focuses on the management of academic standards, quality of higher education and the other initiatives of continuing improvement through a systematic approach. The prime purpose of such a system is to maintain and improve the level of the educational programmes and to make sure that the program and student learning objectives are being met. The QEC also identifies and assesses the outcomes of different degree programmes. It is also responsible for designing, implementing, and reviewing the instruments of quality assurance such as developing and maintaining appropriate databases along with the means of gathering and processing information effectively.

Dr. Abdul Hameed

Director, Quality Enhancement Cell (QEC)

Email: qec@uosahiwal.edu.pk

Directorate of Academics

As Director (Academics), I welcome you to the University of Sahiwal. The Directorate of academics aims to develop, review and monitor academic curricula & policies in line with international best practices, market needs and requirements of accreditation bodies and ensure their smooth and effective implementation.

The office of the director academics is the leading office of the university of Sahiwal that falls under the office of the Vice Chancellor. The office develops and oversees academic curricula and policies. It regularly examines academic curricula for quality academic programmes using a board of studies, a faculty board, industrial and market inputs, and so on. Through accreditation bodies, it keeps curricula in line with international and national demands and norms. The office's mission is to execute and uphold the highest academic standards for excellence in teaching and learning as established by the academic council and the syndicate. It also identifies emerging needs and develops future projections in areas such as curricula, teaching methodologies, research activities and capacity building for the faculty and students. In addition, the office of the director academics organizes faculty development programs, develop academic calendar, look after the matters related to the hiring of the part-time faculty in collaboration with deans and chair departments and responds to HEC/PHEC or other organizations' inquiries on pertinent academic topics.

The vision of this office is “To be the eminent office in learning and teaching to facilitate the university to achieve international ranking and recognition”.

The mission of this office is “To ensure smooth and efficient implementation and progression of all academic programs at the University of Sahiwal in line with HEC/PHEC and other regulatory bodies' instructions and the university's statutes/ regulations and policies”.

Dr. Muhammad Husnain

Director Academics

Email: m.husnain@uosahiwal.edu.pk

Office of Research, Innovation and Commercialization (ORIC)

The Office of Research, Innovation and Commercialization (ORIC) aims to be a leader in promoting excellence in research and innovation across the academic community; to enable the faculty and researchers of University of Sahiwal to become a front-runner in delivering cutting-edge research, providing innovative and commercially viable ideas. ORIC is dedicated to cultivating an environment of intellectual growth and engagement by empowering faculty and researchers with resources to optimize their research potential. We are committed to fostering innovation through collaboration with external stakeholders, enhancing the value of research projects, and facilitating commercialization opportunities for ground-breaking ideas. We strive to promote a research environment by providing cutting-edge knowledge, creating an environment of collaboration, creativity, and innovation that brings together key stakeholders from both within and outside our University. Additionally, ORIC is devoted to develop linkages with prestigious local and global organizations in order to secure QS rankings for the University and effectuate its advancement. To accomplish the vision and mission of ORIC, we are committed to:

Identify research opportunities for faculty members and facilitating them to apply for research grants.

Provide administrative, legal and financial-management support for research projects and grants.

Provide technical support and incentives for publications in HEC recognized/impact factor journals.

Registering patents.

Dr. Muhammad Ayyoub

Director ORIC

Email: oric@uosahiwal.edu.pk

Directorate of Graduate Studies

The Directorate of Graduate Studies (DGS) is a critical administrative unit that is dedicated to promoting and supporting excellence in graduate education. Our primary objective is to ensure that graduate students receive the best possible academic and professional training and have access to the resources and support they need to succeed in their chosen fields. We work closely with academic departments and faculty members to develop and implement policies, procedures, and programs that foster a dynamic and intellectually stimulating learning environment.

We believe that graduate education plays a vital role in advancing knowledge, driving innovation, and addressing some of the most pressing challenges facing society. We strive to ensure that our graduate programs are designed to prepare students for academic and professional careers that make a positive impact on the society. We also work closely with faculty members to provide them with the necessary support and training to serve as effective mentors and advisors to graduate students. Through our work, we seek to create a culture of excellence in graduate education that attracts top talent from around the world and prepares them to make a meaningful difference in their fields.

Key Features

Timely Completion of their Research Degrees

Quality Supervision and Mentorship

Quality Research Training

Responsibility and Accountability

Dr. Waris Ali

Director Graduate Studies

Email: waris.ali@uosahawal.edu.pk

Directorate of Student Affairs

The Directorate of Student Affairs (DSA) was established at the University of Sahiwal in 2019. It works enthusiastically to coordinate the various aspects of students' life, generating a liaison between students, faculty, and university administration. It facilitates and addresses the problems being faced by students. The DSA office establishes a compatible learning environment that fosters successful learning, personal growth, and character-building among University of Sahiwal graduates as well as provide internship opportunities all over Pakistan. It transforms its graduates into confident entrepreneurs with personal experience. Different societies work under the umbrella of the Directorate. Since its short evolutionary stage, the Directorate of Student Affairs, University of Sahiwal has awarded approximately 38% of its students with undergraduate scholarships under different schemes (i.e. Ehsaas scholarships Phase-I, II & III, PEEF Scholarship scheme, Need-Based Scholarship, Merit-based Scholarship, Kinship based Scholarship, Rehmatul lil Alameen Scholarship, Bait Ul Mall Scholarship and Pakistan Usher Zakat Scholarship). Moreover, the office of Directorate of Student Affairs also deals discipline/indiscipline issues. The office is working to develop awareness by arranging/organizing seminar, workshops, and exhibitions for grooming of students' behaviour to transform them into compatible personnel.

Dr. Muhammad Waseem Tufail

Directorate of Student Affairs (DSA)

Email: dsa@uosahiwal.edu.pk

Directorate of Planning and Development

Welcome to the University of Sahiwal, a newly established public sector university dedicated to providing quality education to the people of Sahiwal and its surrounding areas. Our mission is to develop world-class facilities and foster an environment that promotes academic excellence and innovation.

We are proud to announce that we have a Higher Education Commission (HEC) funded development project worth 1366.937 million PKR underway. This investment aims to enhance our university's research and academic capabilities. The project includes constructing a new academic and administration block, a mosque, and a Vice Chancellor's house, enriching our campus infrastructure. Additionally, we are working on various initiatives to improve our infrastructure and resources, ensuring our students have access to the best possible learning environment.

The Directorate of Planning and Development focuses on developing and implementing a strategic plan that aligns with our vision for excellence. We conduct feasibility studies to identify growth opportunities, provide expert guidance to university management, and collaborate with faculty to enhance teaching and research quality. We prioritize monitoring and evaluating our initiatives to ensure their effectiveness. We also ensure compliance with statutory requirements and conduct periodic performance reviews. Building partnerships with educational institutions, government agencies, and stakeholders is essential to enhancing our resources.

At the University of Sahiwal, we are committed to creating a conducive learning environment that prepares our students for a successful future. We invite you to explore our website and learn more about our programs and initiatives. Join us as we shape the future of education in Sahiwal and beyond.

Dr. Muhammad Amin Abid

Director Planning and Development

Phone: +92-40-9200432

Email: pd@uosahiwal.edu.pk

The Office of Resident

The Resident Office is one of the key Offices to carry out day to day activities of any University. It plays a vital role in the smooth functioning of the Universities. The Office is headed by a Resident Officer. The Office is supposed to look after the following tasks:

Monitoring and inspection of hostels, Stores and Cafeteria.

Look after University Land and Buildings.

Conducting meetings for estate land and assets.

Acquisition of new land and property for the University.

Supervision of University Security System.

Look after the University Transport System.

The main responsibility of Resident Office to ensure safe and secure environment for the students/faculty to carry out their studies/research, an elaborate security set up headed by Security Officer is established at university. They carry out regular patrol of buildings and University premises via foot/mounted (motorcycle and vehicles). CCTV cameras have been installed at university premises and vantage points to ensure secure environments for students/faculty/employees.

Transport Office

Transportation is an important part of campus life for most of the university's students and its employees. The University Transport Officer headed by the Resident Officer ensures that the vehicles operate at the highest level of safety, cleanliness and comfort for students and staff. Students are our priority and the safety of our students is our primary concern. Our staff maintains a professional demeanor and appearance at all times for both students and faculty. university of Sahiwal provides transportation facility to students in the city and vicinities of Sahiwal in an effort to make campus life as smooth and friendly as possible with in the available resources. In addition to this, University also provides transport facility to students of **Okara, Pakpattan, Chichawatni and Arifwala**. The university also provides transportation services to its students for study and research purposes. Transportation services are also extended to students for various outdoor activities such as study and excursion tours organized by the teaching department of the University.

The Transport System of Sahiwal University, owns Sixteen (16) functional vehicles including a fleet of Nine (09) buses.

Dr. Hafiz Tariq Masood

Resident Officer

Email: tariq@uosahiwal.edu.pk

Directorate of Estate Management

The University of Sahiwal is a newly established public sector university in order to cater quality education and all the available latest logistic support to the people of Sahiwal and its adjacent localities. To enhance existing standards of education and research students and faculty need a healthy natural environment of the university, it is always needed in science and management that all the concerned departments should be fully equipped with the latest technology and available research materials. Worthy vice chancellor and HED Punjab felt an immediate need of this directorate in 2018 and established a potential leadership attaining management designation to working team leader of the directorate.

It is worth mentioning that the Directorate focuses on the maintenance and best use of available resources and space for providing beautiful, comfortable and study enhancing atmosphere within the buildings, lawns and libraries. In addition to these few facilities students are provided with quality food and refreshment products at cafeteria, ample space given for car parking surrounded with refreshing species of plants and trees. Opening of gate no. 2 was a community service type action resulting in management of flow of traffic towards university keeping in mind that it will improve access of students to university campus reducing their travelling expenses. Prominent achievements of the said directorate also include dedicated space for PITB incubation center which enhances students with tech based education which is need of hour, students counselling center which was never present before, awareness for women empowerment is also strengthening factor for university education, dedicated space was provided for DSA (Directorate of student affairs) that helped reducing on campus student related issues, eye catching eco-friendly beauty of the campus is due to addition of more than 6000 plants, flowering beds, evergreen shady trees and improvement of passages, corridors and roads. All of the above mentioned prominent facilities were made functional first time by tireless efforts of directorate of estate management under one man leadership supported with esteemed departmental and campus top leadership.

Dr. Ikram Ahmad

Director Estate Management

Email: drikramahmad@uosahiwal.edu.pk

Directorate of Information Technology

Welcome to the Directorate of Information Technology (IT), University of Sahiwal. We are delighted to provide you with a comprehensive platform dedicated to meeting your IT needs and supporting your academic journey. Our primary goal is to ensure a seamless and efficient technological environment throughout the university. We strive to empower students, faculty and staff with the latest tools, resources and services to enhance teaching, learning, research, and administrative functions. Our Directorate serves as a hub for all things related to IT services and support. Here, you will find valuable information about our extensive range of services, including:

Network and Internet Connectivity: Access our secure and high-speed network infrastructure, ensuring reliable connectivity across campus and easy access to online resources.

Email and Communication: Learn about our robust email system, which enables effective communication and collaboration among members of the university community.

Learning Management Systems: Discover the learning platforms and tools that facilitate online and blended learning experiences, providing you with a flexible and interactive educational environment.

Software and Applications: Explore the software and applications available to you, such as productivity suites, research tools, and specialized software, tailored to support your academic and administrative needs.

Technical Support: Get assistance from our dedicated team of IT professionals who are ready to provide technical support, troubleshooting, and guidance to ensure a smooth technology experience.

We are committed to fostering a culture of innovation and digital excellence at the University of Sahiwal. The Directorate of IT is continuously working towards enhancing the IT infrastructure, improving services, and implementing cutting-edge technologies to support your academic and research endeavors.

DR. MUHAMMAD AYYOUB

Director IT

Email: directorit@uosahiwal.edu.pk

Directorate of External Linkages

Additional Director

Dear Students,

Welcome to a world of boundless opportunities and transformative experiences at the University of Sahiwal. As the Additional Director of External Linkages, it is my privilege to oversee the dynamic and strategic partnerships that connect our university with leading academic institutions, industry leaders, and research organizations around the globe.

At the University of Sahiwal, we believe that education extends beyond the classroom. Our robust network of external linkages offers you unparalleled opportunities to engage in collaborative research, participate in international exchange programs, and gain practical experience through internships and placements with top industry partners. These experiences are designed to enhance your academic journey, broaden your horizons, and prepare you for a successful career in a globalized world.

Through our carefully curated seminars, workshops, and conferences, you will have the chance to learn from and interact with distinguished experts and thought leaders. These events not only enrich your knowledge but also inspire innovation and critical thinking.

I encourage you to take full advantage of the myriad opportunities available to you through our external linkages. Engage actively, explore passionately, and excel in every endeavour. Your journey at the University Of Sahiwal is a gateway to a future filled with promise and potential.

Together, let's build a brighter and more connected world.

Warm regards,

Dr Bilal Anwar

Additional Director of External Linkages
University of Sahiwal

Directorate of Sports Office

A little good indulgence is always a good chill-out when one seriously has a jam-packed academic routine and what could one ask for more when the indulgence is some healthy sports. University of Sahiwal is always taking care of its people and therefore we reward our students with some sports events like Sports Gala. These events are surely a count-me-in kind of opportunities. The students rejoice the different sports and replenish their mental and physical health. The Directorate of Sports has been striving for and providing the opportunities to the students to have recreational activities such as games, after hectic studies.

Under the leading role of worthy vice chancellor, The Directorate of Sports University of Sahiwal organizes sports gala in every year for students and their faculty members. Students and Faculty members actively participated in different sports events, including cricket, badminton, table tennis, football, basketball, and many others. Different sports clubs like Cricket, Football, Kabaddi etc are also working for students to show their strengths in sports.

The directorate of sports aims at promotion of sports at grass root level, enhancing student affiliation with the games, ensuring all tournaments originate from inter-department level and culminate at the University level.

SPORTS FACILITIES:

To organize, promote and develop sports in the University of Sahiwal. To arrange training and coaching programs. To ensure mass participation in sports and games by organizing sports competitions/tournaments/Gala in the University of Sahiwal. To maintain liaison and coordinate with the HEC & HED for inter University Leagues. To ensure adequate provision of funds of sports and games in the budget of University of Sahiwal and their utilization to the fullest advantage for promotion and development of sports. To exercise overall administrative/functional control over all the grounds and play fields in the University of Sahiwal and ensure their proper maintenance and utilization.

DR. TARIQ MASOOD

Director Sports

Introduction

Keeping in view the importance of computer science for the country, Department of Computer Science was established at BZU Sub-Campus Sahiwal in 2014. Currently, Department of Computer Science is offering BS Computer Science (BSCS) (4 Years) degree program in morning and evening sessions. In addition to these degree programs many short courses and workshops are arranged by the department time to time. The students in Department of Computer Science have unlimited access to computers and professional software tools. The Department has modern computer lab equipped with latest computing technology. The department of Computer Science has two computer labs equipped with state-of-the-art technology. All the computers are equipped with latest technology and professional software tools and provide services such as HEC digital Library, video conference etc.

The students and staff have access to Internet facilitates during working hours.

BS Computer Science (CS) Program:

The programs have been designed for the preparation of Computer Science experts to serve in academia and industry. The purpose is to sharpen the academic analytical and research skills of students in the field of computer science & IT and make them able to work in national and international organizations. The students will learn latest techniques and skills in this field.

Scheme of Studies BSCS Program:

Semester I	Semester II
Programming Fundamentals Application of Information & Communication Technologies Discrete Structures (QR 1) Calculus and Analytic Geometry (QR 2) Functional English Zero Math-1	Object Oriented Programming Digital Logic Design Multivariable Calculus Linear Algebra Entrepreneurship Introduction to Management (Social Science) Zero Math-II Translation of Holy Quran
Semester III	Semester IV
Data Structures Operating Systems Computer Organization & Assembly Language Professional Practices Applied Physics Probability & Statistics	Artificial Intelligence Ideology and Constitution of Pakistan Software Engineering Computer Networks Islamic Studies Civics and Community Engagement Expository Writing Translation of Holy Quran
Students can take Exit for Associate Degree in Computer Science after completing min 70 Cr. Hrs	
Semester V	Semester VI
Information Security Database Systems Theory of Automata HCI & Computer Graphics	Compiler Construction Computer Architecture Numerical Analysis Web Engineering

Object Oriented Analysis and Design Advanced Programming	Mobile Application Development 1 Translation of Holy Quran
Semester VII	Semester VIII
Final Year Project I Analysis of Algorithms Advance Database Management Systems Parallel & Distributed Computing Technical & Business Writing	Final Year Project (II) Financial Accounting Software Testing & Quality Assurance Cloud Computing Translation of Holy Quran
Computing Core Courses:	Domain Elective
1.Programming Fundamentals 2.Object Oriented Programming 3.Database Systems 4.Digital Logic Design 5.Data Structures 6.Information Security 7.Artificial Intelligence 8.Computer Networks 9.Software Engineering 10.Computer Organization & Assembly Language 11.Operating Systems 12.Analysis of Algorithms 13.Final Year Project – I Final Year Project – II	Web Technologies Mobile Application Development 1 Advanced Programming Numerical Analysis Web Engineering Cyber Security Software Testing & Quality Assurance Mobile Application Development 2 Cloud Computing Computer Graphics Object Oriented Analysis & Design
Mathematics and Supporting Core Courses:	CS Domain Core Courses
Multivariable Calculus Linear Algebra Probability & Statistics Technical & Business Writing	Theory of Automata Advance Database Management Systems HCI & Computer Graphics Computer Architecture

	Compiler Construction Parallel & Distributed Computing
General Education Requirements as per HEC UG Education Policy:	
Application of Information & Communication Technologies Functional English Expository Writing Quantitative Reasoning – 1 (Discrete Structures) Quantitative Reasoning – 2 (Calculus and Analytic Geometry) Islamic Studies Ideology and Constitution of Pakistan Social Sciences (Example: Introduction to Management) Natural Sciences (Applied Physics) Arts & Humanities (Professional Practices) Civics and Community Engagement Entrepreneurship	

* “Zero Mathematics” is a non-credited course and mandatory for **pre-medical students** to pass within first two semesters, otherwise the admission will not be confirmed.

Post Graduate Diploma in Computer Science Program:

Post Graduate Diploma in Computer Science has been designed for those who are willing to adopt Computer Science as an area for their higher education. It is designed to give students a complete walk through the field and to provide an enduring foundation for future professional growth. PGD in Computer Science prepares students with ability to undertake technical assignments in their organizations.

Program Objective:

The Strategic objectives of PGD (CS) Program are:

1. To develop student with knowledge of concepts and theories associated with the computer science field.
2. To prepare student with practices related to computer science application and programming skills.
3. To provide student with an ability to use and analyse software programs tools effectively.
4. To provide student with refinement of analytical, logical and communication skills effectively.

Entry Admission requirement of the program

Bachelor's degree from a recognized university/ institute in any discipline with at least 50% marks or CGPA 2.00 out of 4

Scheme of Studies		
Semester	Courses/Credits	Total
First	5 courses, 3 credits each	15
Second	5 courses, 3 credits each	15
Total Credits		30

Courses description

List and course contents of proposed courses are given as under

Sr. No	Course Title & Code	Credits
1	Introduction to Computing	3(3-0)
2	Introduction to Programming	3(3-0)
3	Advanced project management processes	3(3-0)
4	Project management processes	3(3-0)
5	DB Administration & Management	3(3-0)
6	Project management tools (primavera and agile)	3(3-0)
7	Project leadership and governance	3(3-0)
8	Software Engineering II	3(3-0)
9	Database Designing and Development	3(3-0)
10	Software development (foundation)	3(3-0)
11	Front end designing	3(3-0)
12	Web Development Via php	3(3-0)
13	Cloud computing	3(3-0)
14	Data Analytics and Visualization	3(3-0)
15	Machine learning	3(3-0)
16	Big data computing	3(3-0)
17	Introduction to Data Science	3(3-0)

<p>Academic Programs</p>	<p>Undergraduate Program: BS Information Technology (BSIT) (Morning/Self-Supporting)</p>
<p>Eligibility Criteria</p>	<p>Undergraduate Program: Qualification: Intermediate with at least 50% aggregate marks in any of the following: Pre-Engineering/Pre-Medical/Commerce/General Science with Computer or Mathematics. DAE with Electrical/Electronics/IT Technology. A-level with Computer / Mathematics / Biology. Pre-Medical and A-Level with Biology Students will pass additional Subject of Mathematics within 01 year. Age Limit: 24 years on closing date of admissions.</p>

Introduction

Keeping in view the importance of Information Technology for the country, Department of Information Technology was established in University of Sahiwal in 2020. Currently, Department of Information Technology is offering BS Information Technology (BSIT) (4 Years) degree program in morning and evening sessions. In addition to this degree program many short courses and workshops are arranged by the department time to time. The students in Department of Information Technology have unlimited access to the computers & the professional software tools. The Department has modern computer lab equipped with latest computing technology. The department of Information Technology has two computer labs equipped with state-of-the-art technology. All the computers are equipped with latest technology & the professional software tools and provide services such as HEC digital Library, video conference etc. The students and staff have access to Internet facilities during working hours.

Introduction to BSIT Program:

The programs have been designed for the preparation of IT experts to serve in academia and industry. The purpose is to sharpen the academic analytical and research skills of students in the field of IT and make them able to work in national and international organizations. The students will learn latest techniques and skills in this field. BSIT program is all about these skills and techniques.

Scheme of Studies BSIT Program:

Semester I	Semester II
Application of Information and Communication Technologies	Object Oriented Programming
Programming Fundamentals	Expository Writing
Quantitative Reasoning-1	Digital Logic Design
Islamic Studies	Civic and Community Engagement
Applied Physics	Linear Algebra
Fundamental English 1	Quantitative Reasoning –II

Semester III	Semester IV
Data Structure Artificial Intelligence Probability and Statistics Multivariable and Calculus Professional Practices Introduction to Economics	Entrepreneurship Web Technologies Computer Networks Software Engineering Computer Organization and Assembly Language Ideology and Constitution of Pakistan
Students can take Exit for Associate Degree in Computer Science after completing min 70 Cr. Hrs	
Semester V	Semester VI
Technical and Business Writing Computer Architecture IT Infrastructure Cyber Security Operating System Database Systems	Information Security Database Administration and Management Mobile Application and Development Web Engineering Analysis of Algorithms
Semester VII	Semester VIII
System and Network Administration Field Experience/Internship Parallel and Distributed Computing Theory of Automata	Cloud Computing Capstone Project Virtual System and Services Network Security
Core Courses:	Domain Elective
1 Programming Fundamentals 2 Object Oriented Programming 3 Database Systems 4 Digital Logic Design 5 Data Structures 6 Information Security 7 Artificial Intelligence 8 Computer Networks	Virtual Systems & Services Computer Architecture Network Security Enterprise Systems Web Engineering Theory of Automata HCI & Computer Graphics Software Project Management

<p>9 Software Engineering</p> <p>10 Computer Organization & Assembly Language</p> <p>11 Operating Systems</p> <p>12 Analysis of Algorithms</p> <p>13 Final Year Project - I</p> <p>14 Final Year Project - II</p>	<p>Cloud Computing</p> <p>Software Requirement Engineering</p> <p>Mobile Application Development 1</p>

Department of Business Administration

Introduction

The Department of Business Administration is committed to developing socially responsible leaders, equipped with real-world expertise such as business acumen, leadership and management skills, problem-solving abilities, entrepreneurial and innovative mindset. The department is committed to engage qualified faculty members and industry experts for delivering cutting-edge education in the Department. They bring real-world experience and academic rigor into the classroom, ensuring that our students receive a well-rounded and relevant education. We foster a culture of innovation, creativity, and entrepreneurship. We prioritize the success and well-being of students by tailoring student support services and extracurricular activities to help students achieve their academic and career goals. Our students are encouraged to think critically, solve complex problems, and develop innovative solutions. We provide the resources and mentorship needed to turn ideas into successful ventures. We instil the values of ethical leadership, social responsibility, and sustainability in our students. The department of business is offering the following programs:

Bachelor of Business Administration (BBA)

Bachelor of Studies in Business Information System (BBIS)

Executive MBA

Master of Science in Business Administration (MS)

PhD in Business Administration

Vision

Our vision is to be recognized as a prestigious business school in Punjab that aims at developing socially responsible leaders, equipped with real-world expertise.

Mission

To realize our vision, the department strives to involve qualified and dynamic research scholars as well as industry experts. This initiative is geared towards providing our students with the latest knowledge and industry best practices. Moreover, the department places a strong emphasis on the continuous training and development of both students and faculty members. The overarching goal is to foster socially and environmentally responsible leaders while nurturing critical thinking skills. Additionally, the department is actively working towards enhancing its infrastructure by developing and acquiring resources such as library

and classroom facilities. This investment is aimed at creating a conducive teaching and learning environment within the department.

Values

The Department of Business Administration has the following values.

Honesty and Integrity

Respect

Social and environmental responsibility

Discipline

Impactful

Brief Departmental Profile

Dr. Waris Ali

Chairperson

Department of Business Administration

Qualification:

PhD Business Administration,
University of Middlesex, UK

Specialization: Corporate Governance, CSR, Sustainability

Email: waris.ali@uosahiwal.edu.pk

Eligibility Criteria	
Graduate Programs	
MS Business Administration Qualification:	
	<p>At least 2.7 CGPA (out of 4.0) in Semester System in BS/BBA/MA/Equivalent Education in relevant subject</p> <p>Candidate must have completed 16 years of schooling/education.</p> <p>As per HEC policy, candidate must have passed GAT</p> <p>General/GRE test OR Candidate must have to pass Departmental Admission Test with 60% marks conducted by Departmental Admission Committee.</p>
PhD Business Administration Qualification:	
	<p>For admission in our Ph.D. (Business Administration) Program the individual should be highly motivated and must possess a passion for research and learning. The admission process is competitive and transparent. The basic requirements are as follows:</p> <p>CGPA: At least 3 CGPA (out of 4) in Semester System in MS/M.Phil or Equivalent Business</p>

Education (e.g. Business, Commerce, and Economics etc.) OR 60% in annual system

The student must have completed **18 Years of schooling/education** preferably with Thesis of 6 Credit Hours.

Entry Test as per HEC Policy.

3a: GAT/GRE Subject Test (60% Passing Marks) is accepted OR

3b: Departmental Admission Test (60% Passing Marks) will be conducted by notified Department Admission Committee.

Statement of Purpose

An Applicant shall be required to submit a statement of purpose. A statement of purpose shall, at least, include the following:

Title of the potential research proposal

Clear articulation of the current understanding of the intended field and ideas for potential research

Explanation of the intended impact of the proposed research

The prospective candidates shall demonstrate passion and enthusiasm for the area of research.

Teaching Faculty:

Dr. Waris Ali

Associate Professor

Department of Business Administration

Qualification:

PhD Business Administration,

University of Middlesex, UK

Specialization: Corporate Governance, CSR, Sustainability

Email: waris.ali@uosahiwal.edu.pk

Dr. Shaheera Amin

Assistant Professor,
Department of Business Administration

Qualification:

PhD University of Leeds, UK

Specialization: Marketing

Email: shaheeraamin@uosahiwal.edu.pk

Dr. Muhammad Husnain

Assistant Professor,

Qualification:

PhD Management Sciences, Capital University of Science and Technology, Islamabad, Pakistan and University of Paris 1 Panthéon-Sorbonne, Paris, France

Specialization: Finance/Accounting, Banking

Email: m.husnain@uosahiwal.edu.pk

Dr. Bilal Anwar

Assistant Professor

Qualification:

PhD Management Sciences & Engineering, Xi'an Jiaotong University, Xi'an, China

Specialization: Project Management

Email: bilalanwar@uosahiwal.edu.pk

Dr. Saira Aziz

Assistant Professor

Qualification:

PhD Business Administration, University of Science and Technology of China

Specialization: Marketing

Email: sairaaziz@uosahiwal.edu.pk

Ds. Ammara Saleem

Lecturer

Qualification:

PhD GCU Faisalabad

MS COMSATS University Islamabad, Pakistan.

Specialization: Human Resource Management,

Email: ammara@uosahiwal.edu.pk

Mr. Riaz Hussain Ansari

Lecturer, Department of Business Administration

Qualification:

M.Phil. Management Sciences, Minhaj University, Lahore, Pakistan.

Specialization: Behavioural and Corporate Finance, Energy and Environmental Economics

Email: riazhussain@uosahiwal.edu.pk

Mr. Muhammad Munir (On leave)

Lecturer, Department of Business Administration

Qualification:

MS Management Sciences, Comsats University Islamabad, Pakistan.

Specialization: Finance

Email: munir@uosahiwal.edu.pk

Dr. Atif Ali Gill

Lecturer, Department of Business Administration

Qualification:

PhD Management Sciences, University Utara, Malaysia

Specialization: Management, supply chain management, information system, E-business, ERP, Green information technology, Green Human resource management.

Email: atifali@uosahiwal.edu.pk

Ms. Nazia Jabeen

Lecturer, Department of Business Administration

Qualification:

MS Management Sciences, Comsats University Islamabad, Pakistan.

Specialization: Management and Social Science

Email: naziafarzand@uosahiwal.edu.pk

Syeda Natasha Anwar (On Leave)

Lecturer, Department of Business Administration

Qualification:

MS Finance, International Islamic University, Islamabad, Pakistan.

Specialization: Finance, Behavioural Finance, Risk Management

Email: syedanitashah@uosahiwal.edu.pk

Ms. Alia Manzoor

Lecturer, Department of Business Administration

Qualification:

MS Business Administration, Bahauddin Zakariya University, Multan, Pakistan.

Specialization: Computational Finance, Financial Econometrics, Investment and Portfolio Management

Email: aliamanzoor@uosahiwal.edu.pk

Ms. Rafia Kazmi (On Deputation)

Lecturer, Department of Business Administration

Qualification:

MS Business Administration

Specialization: Management

Email: rafiakazmi@uosahiwal.edu.pk

Programs of Study

Bachelor of Business Administration (BBA)

Introduction

The eligibility for admission in BBA Program is 12 Years of Education. BBA (Hons) 4-Years Program consisting of 8 semesters has been designed to develop business and IT skills. These skills act as a requisite to acquire higher-level courses to be offered in M.B.A. Further, this program enables the students to run the function of business such as marketing, finance, accounting, and management efficiently. This program helps students to achieve higher level managerial positions and polish their entrepreneurial potential.

Introduction

The foremost priority of the Department of Economics at the University of Sahiwal is to augment the quality of education and research in the subject of economics and to produce welltrained graduates and researchers who can contribute significantly to the national and international avenues. The department has developed the curricula in such a manner that it can emerge as one of the competitive schools of economics in the region. The formulation of policy alternatives by conducting solution-oriented research is not only the objective of the Department of Economics but it assists the policy-makers to formulate a sustainable strategy for economic growth and development. In doing so, the department is committed to playing a key role in filling the gap and providing the human resource that is required to improve the momentum of economic growth and help eradicate the socio-economic issues of the society.

Vision and Mission

In general, the aim of the Department of Economics is to provide insights for public policy, day-today businesses and reshaping human behavior, which could not only help running and to implement more successful business practices but to formulate effective government policy. While economists specifically study how markets work to determine what, how and for whom to produce questions, the department primarily focuses on the macroeconomic challenges of national and global impact and importance.

As the strong commitment of the Department of Economics, University of Sahiwal is to nurture and enable a conducive environment for state-of-the-art focused research and policy analysis culture, it gives us an immense pleasure to announce that recently the department has become a leading institute of the region by launching its 'M.Phil. Economics' program to provide the researchers of economic science and equivalent subject areas a platform for learning more specialized subjects of economics and conducting research under the supervision of national- and foreign-qualified PhD faculty members. The mission of M.Phil. Economics program is to provide learning to the candidates so that they are capable to lead the community. They will be expected to develop and apply strategies for the integrated development of all sections of society. Since the program has been designed by keeping into consideration the HEC requirements, 'M.Phil. Economics' is a 2-year degree program of 30 credit hours distributed in four semesters.

Master of Philosophy in Economics (M.Phil. Economics)

(Self-Support Program)

The strong commitment of the Department of Economics, University of Sahiwal is to nurture and enable a conducive environment for state-of-the-art focused research and policy analyses. The mission of Master of Philosophy in Economics (M.Phil. Economics) program is to provide learning to the participants so that they are capable to lead the community. They will be expected to develop and apply strategies for the integrated development of all sections of the society.

M.Phil. Program in Economics is a 2-year degree program of 30 credit hours, divided into four compulsory semesters. The program has been designed and launched by keeping into consideration the HEC requirements. During first year, i.e., within the first two semesters of the program, the participants are expected to complete the course work of 24 credit hours. During final year, they will be expected to qualify a mandatory research seminar/research proposal presentation and carry out research to produce M.Phil. thesis of 6 credit hours. The topic of thesis shall be taken up by a participant in consultation with his/her approved supervisor. The initial approval of the thesis topic and the supervisor shall be made by the Dissertation Committee of the Department of Economics hereafter referred to as the

Economics Dissertation Committee (EDC). The final approval of the thesis proposal and supervisor shall be made by the Board of Advanced Studies and Research (BASR). The EDC shall be constituted by the Dean of the Faculty of Economics on the recommendation of the Chairperson/Incharge of the department. The M.Phil. degree shall be awarded to a candidate on his/her completion of 24 credit hours of course work along with a successful defence of his/her thesis of 6 credit hours.

The main goal of the M.Phil. Economics program is to train its participants in becoming top-notch economists, who can understand and participate in internationally competitive research-based decisions and steadfast in making complex business decisions. Our M.Phil. Economics program will provide the basis for a successful entry-level career in academia, business or in other research oriented professions both in public or private sectors. The program also offers a solid foundation in economic theory and tools of economic analysis along with the choice of several fields of specialization.

Introduction:

The Department of English was established in 2007 when University of Sahiwal was the sub-campus of BZU, Multan. The program started was M.A. English but from 2019 onwards, the University of Sahiwal is also offering BS English. M.A English & BS English are comprehensive study programs based on both language and literature, aimed at improving communicative competence of students and coping with the problems which they face while expressing in English. In order to improve the communication skills, Spoken English Short Course and IELTS are also being launched by the Department.

The purpose of these courses is the development of the ability to communicate effectively, to enable the students to read effectively and independently any literary text, to make the experience of learning English more meaningful and enjoyable and to enable the students to use grammar plus language structure in context. The focus is on teaching of language skills using a variety of techniques such as guided silent reading, communication tasks etc. Moreover, a comprehensive approach will be taken for teaching writing skills with a focus on composing, editing and revising texts/drafts.

Now, the Department of English has MPhil & PhD faculty members with an exposure of teaching in various established universities. They have a rich treasure of writings in national and International Journals. With more PhD faculty, the department is going to establish a culture of research and publication among its students.

Vision:

The English Department is working to be a centre of excellence in English Language , Literature and Linguistics. Our vision is to promote the understanding of human language and literature through research, and to apply this knowledge to advance individual and societal welfare

Mission:

The mission of the English Department is to provide high-quality education and practical exposure in the field of English Language, Literature and Linguistics. We are committed to foster an environment of diversity, inclusivity, and mutual respect among faculty, staff, and students. We are working to produce graduates who are knowledgeable, ethically trained, and skilled in English Language, Literature and Linguistics. Through our research works we

strive to advance knowledge in English Language and literature, and to contribute to the development of English Language and Literature.

BS English

BS English program is an undergraduate degree program that focuses on the three types of subjects: Applied, Language and Literature. The program aims to develop students' knowledge and skills in the areas of English language .Literature and Linguistics. The curriculum of the program typically includes applied courses, language courses, Linguistics courses and Literature courses..

In addition to classroom learning, the BS English program also provides students with practical research opportunities where they can apply their knowledge and skills in real-world situations. These experiences can help students develop academics skills, professional attitude and practical exposure in the field.

Graduates of the program may pursue careers in various fields, such as teaching, foreign services, human resources, education, research, freelancing and superior services. They may also go on to pursue advanced degrees in English fields, such as language, linguistics, and literature.

Note: A Course of Translation of Holy Quran of 01 Credit hr. will be offered throughout the degree program in each Odd/Fall Semester

MPhil Linguistics (English)

MPhil Linguistics (English) is a name given to the program of studies based on English Linguistics. The students will study comprehensive courses of English Linguistics in their course work and then they will be able to do the research in English Linguistics keeping in view the needs of the current times.

Objectives of the Program:

To establish a research culture among the students of English Linguistics

To encourage the students to study with focus on innovation, creativity and originality in the study of English Linguistics

Scope regarding market, social and employment perspective of program

In every country where the native language is not English, the society always needs the graduates of English Linguistics and the same is valid for Pakistan. However, in the last few

years there is developed a need of research in English linguistics for which the Programs of BS and MA English are not enough. Hence it is needed that the Universities teach MPhil English Linguistics and likewise research degree Programs.

Socially speaking the societies need to do research on various social problems based on human relationships and communication issues. Hence such research programs as MPhil English Linguistics may be helpful in addressing various social issues based on human interaction and communication problems.

In the last years there are many graduates who have BS and Master in English degrees but because they have no research degree so they find it difficult to get a job. Hence such research based programs may create more job opportunities for them.

Few Glimpses of activities of the Department of English

Faculty of Law

Department of Law (Accredited with Pakistan Bar Council)

Department of Law

<i>Chairperson/Teacher Incharge</i>	Name	Dr. Imtiaz Ahmad Khan
	Highest Degree and Specialization	PhD, University of Glasgow United Kingdom Corporate Laws, Business Law, Corporate Governance, & Laws of Contract
Brief Introduction of the Department	<p>Introduction</p> <p>The Department of Law, University of Sahiwal is the first public sector institution in the division of Sahiwal to cater the needs of the people to get legal education. The objective of establishment of the department was to fill the gap created due to non-availability of public sector institution that could provide legal education to the people of Sahiwal Division and its suburb areas. The students of Sahiwal have to travel to Lahore and Multan to get legal education. Therefore, to cater the needs of the students of the locality, the Department of Law was established in the erstwhile Sub-Campus of Bahauddin Zakariya University at Sahiwal in the year 2014. After the establishment of the University of Sahiwal in 2015, the Department becomes constituent part of the University. The Department aims at steering the University to be a leading public sector University in providing affordable quality legal education for the students of the locality. The focus of the Department is to enable the students to conduct an independent research and to learn different aspects of resolving practical problems in legal field and legal aspects of different other fields. This will develop the culture of learning thinking, research and advocacy. The main objectives of the establishment of the Department included but not limited to:</p>	

	<p>To educate and train the future lawyers, legal consultants and jurists.</p> <p>To enhance the quality and standard of legal education</p> <p>To develop the culture of research in legal fields</p> <p>To train the students to possess the capacity of legal reasoning.</p> <p>Vision and Mission</p> <p>Vision: To be recognized as a trusted and valued partner in achieving the organization's strategic objectives by providing expert legal guidance and innovative solutions.</p> <p>Mission: To provide timely, strategic, and cost-effective legal advice and representation that supports the organization's goals, protects its interests, and ensures compliance with legal requirements.</p> <p>Programs offered</p> <p>LLB (5-Year Program)</p> <p>LLM (2-Year Program)</p> <p>BS Criminology (4-Year Program)</p>
	<p>1. Dr. Imtiaz Ahmad Khan</p> <p>Associate Professor and Chairperson</p> <p>PhD, University of Glasgow United Kingdom</p> <p>Specialization: Corporate Laws, Business Law, Corporate Governance, & Law of Contract</p> <p>Email: imtiazahmad@uosahiwal.edu.pk</p>

2. Mr. Muhammad Fahad Anwar
Assistant Professor
LLM, University of South Asia, Lahore, Pakistan
Specialization: Civil Laws

Degree Programs

Details of each degree program being offered containing the following information,

1. LLB (5-Year Program) Introduction

The LLB (5-Year) program offered by the Department of Law at the University of Sahiwal is designed to provide students with a comprehensive understanding of the law and legal systems. The program is structured to provide students with a theoretical understanding of the law, as well as practical training in legal research, analysis, and advocacy. During the five years of study, students will take courses in various areas of law, including civil law, criminal law, constitutional law, commercial law, and international law, among others. The LLB program is designed to prepare students for careers in the legal profession, including as lawyers, judges, legal advisors, or legal consultants.

The LLB program has a strong focus on practical training, with opportunities for students to participate in moot court competitions, legal aid clinics, and internships with law firms or other legal organizations. These experiences provide students with hands-on experience in applying legal principles to real-world situations and preparing them for the demands of the legal profession.

Detailed Eligibility criteria for admission in LLB

Intermediate/HSSC with at least 45% aggregate marks

Qualified LAT (Law Admission Test) conducted by Higher Education Commission.

Age Limit: Less than 24 years on closing date of admissions.

Approved/updated scheme of study (w.e.f. Fall 2023) of LLB program

Semester / Year	Name of Subject	Credits
FIRST		
LLB-111	Functional English	3
LLB-112	Ideology and Constitution of Pakistan	2
LLB-113	Introduction to Sociology	3
LLB-114	Fundamentals of Economics	3
LLB-115	Introduction to Law	3
LLB-116	Applications of Information and Communication Technologies	3
LLB-117	Translation of Holy Quran	1
		17+1
SECOND		
LLB-121	Expository Writing	3
LLB-122	Islamic Studies/Ethics In Lieu Of Islamic Studies Only for Non-Muslim	2
LLB-123	Principles of Political Science (Social Science)	2
LLB-124	Legal System of Pakistan	3

Elective Courses

1	Alternate Dispute Resolution	16	Islamic Commercial Laws
2	Banking Laws	17	Labor Laws
3	Conflict of Laws	18	Law and Development
4	Consumer Protection Laws	19	Law and Energy
5	Custom and Tariff Laws	20	Law and Society in Pakistan
6	e-Commerce Law	21	Local and Special Laws
7	Election Laws	22	Media Laws

8	Environmental Laws	23	Medical and Forensic Law
9	Gender and Law	24	Mergers and Acquisitions
10	Insurance laws	25	Islamic Legal Maxims
11	Intellectual Property Laws	26	Public Interest Litigation
12	International Economic Law	27	Securities Regulation
13	International Humanitarian Law	28	Shipping and Admiralty Laws
14	International Institutions	29	Taxation Laws
15	International Trade Law	30	Telecommunication Laws

2. LLM Program Introduction

The LLM program in the Department of Law at the University of Sahiwal is designed to provide students with advanced knowledge and skills in any chosen specific area of law. While the program does emphasize research and scholarship, it also includes coursework and practical training. The LLM program is a two-year program that is offered in a semester system. Students can specialize in various areas of law, including commercial law, human rights law, international law, and intellectual property law, among others. The program is designed to equip students with the knowledge and skills necessary to conduct independent research, analyze legal issues critically, and develop solutions to complex legal problems.

The LLM program places a strong emphasis on research, with students required to undertake a research project as part of the program. This research project provides students with an opportunity to conduct independent research and to develop their critical thinking and analytical skills. The LLM program also includes coursework that is designed to provide students with a theoretical understanding of the area of law in which they are specializing.

Detailed Eligibility criteria for admission

LL.B with at least 50% marks in Annual System or minimum 3.00 /4.00 CGPA in Semester System.

Age Limit: Less than 45 years on closing date of admissions Selection Criteria: Law GAT / Departmental Test Merit will be calculated as follows:

Academic Education = 50%

GAT/GRE OR Entry Test = 40%

Interview through Experts = 10%

Approved/updated scheme of study (w.e.f. Fall 2023)

TITLE OF COURSES
Compulsory
Research Methodology
Optional
Administrative Law
Alternate Dispute Resolution
Banking Laws
Commercial / Business Laws
Company / Corporate Law
Comparative Constitutional Law
Comparative Environmental Law
Comparative Human Rights Law
Comparative Study of Islamic and Western Jurisprudence
Constitutional Law of Pakistan
Criminology
Intellectual Property Laws
International Economic Law
International Trade Law
Islamic Laws
Labour Laws
Law and Politics
Law and Society in South Asia
Law of Evidence
Law of International Institutions
Law of Taxation
Legal History of Pakistan and India
Shipping Law

2 Semesters each containing 12 credit hours and 2 semesters for research of 6 credit hours.

3. BS Criminology (4-Year) Program Introduction

The Department of Law at the University of Sahiwal also offers a 4-Year BS Criminology program. The program is designed to provide students with a comprehensive understanding of criminological theories, criminal justice systems, and crime prevention strategies. During the four years of study, students will take courses in various areas of criminology, including criminal law, forensic science, victimology, juvenile justice, and correctional systems. The program is designed to prepare students for careers in law enforcement, criminal justice administration, social work, or other related fields.

The BS Criminology program at the University of Sahiwal has a strong focus on practical training, with opportunities for students to participate in internships, fieldwork, and research projects. These experiences provide students with hands-on experience in applying criminological theories to real-world situations. The BS Criminology program in the Faculty of Law at the University of Sahiwal is an excellent choice for students who are interested in pursuing a career in criminology. The program provides students with a strong foundation in criminological theories and practical training, preparing them for successful careers in the criminal justice system.

Detailed Eligibility criteria for admission

Departmental Events

Faculty of Sciences

Department of Chemistry

<i>Chairperson/Teacher Incharge</i>	Name	Dr. Muhammad Amin Abid
	Highest Degree and Specialization	PhD/ Chemistry
Brief Introduction of the Department	<p>Brief Introduction</p> <p>Study of the world of atoms, molecules, liquids, solids and gases is concerned with the knowledge of Chemistry. Chemists are both architects and students of miniature universe, involved in discovering the changes that occurs, exploring the principles that govern on these changes. History told us about the triumphs of chemistry in the fields of agricultural and medicinal products. Currently chemistry has revealed the modern ways of achieving aims and objectives in the fields of solar cells, semiconductor, superconductor, optical fiber, clean fuels, chemical memory, batteries and solution to various environmental issues. Department of Chemistry, University of Sahiwal was established in 2014, Department is offering program according to HEC course outline and has highly committed, competent and qualified PhD faculty members.</p> <p>Vision and Mission</p> <p>The future of the chemistry graduates is bright in different fields, e.g. medical, fertilizers, cosmetics, textiles, food, new materials, petrochemicals, plastics, alternative energy sources, drug discovery and delivery, polymers, nano technology and space</p>	

technology etc. Department of Chemistry believe in excellence, devotion and on producing such individuals who can excel in any related field whether performing jobs at Governmental/ Public sectors or industry or can establish own business without having any problems and lack of knowledge.

List of Degree Programs Being Offered

MPhil Chemistry (Self-Supporting)

BS (4 Year) Chemistry (Morning/ Self-Supporting)

BS (4 Years) Applied Chemistry (Morning/ Self-Supporting)

DR. MUHAMMAD AMIN ABID (ON DUTY)

ASSOCIATE PROFESSOR

Postdoc/PhD Chemistry

Zhejiang University, China

Postdoc: Huazhong University of Engineering and Technology (HUST), Wuhan, China

Specialization: Polymer Chemistry

Area of Research: Polymer Synthesis

Email: mabid@uosahiwal.edu.pk

DR. ABDUL HAMEED (ON DUTY)

ASSOCIATE PROFESSOR

Postdoc/PhD Chemistry

University of Nottingham, UK

Specialization: Organic Chemistry

Area of Research: Organic Synthesis

Email: drabdulhameed@uosahiwal.edu.pk

DR. AHMAD KALEEM QURESHI (ON DUTY)

ASSITANT PROFESSOR

PhD Chemistry

University of Malaya, Kuala Lumpur, Malaysia

Specialization: Organic chemistry/ Natural Products Chemistry

Area of Research: Organic Chemistry, Phyto-chemistry; Nano-Particles/Catalyst & Hydrogel beads Synthesis and their Applications.

Email: ahmadkaleem@uosahiwal.edu.pk

DR. ABDUR RAUF (ON DUTY)

ASSITANT PROFESSOR

PhD Chemistry

Quaid e Azam University Islamabad

Specialization: Physical Chemistry

Area of Research: Electrochemistry, Biosensors

Email: drarauf@uosahiwal.edu.pk

DR. IKRAM AHMAD (ON DUTY)

ASSITANT PROFESSOR

PhD Chemistry

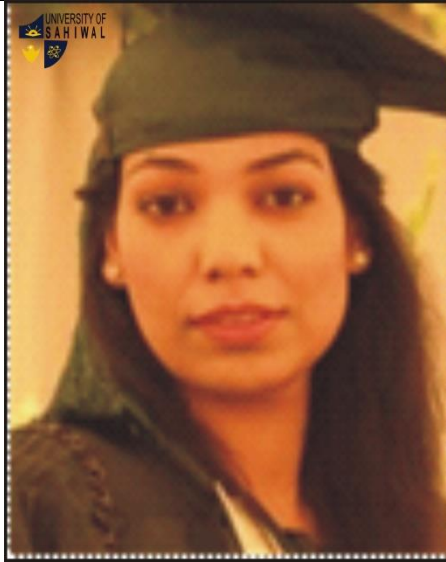

King Abdul Aziz University, Jeddah, Kingdom of Saudi Arabia

Specialization: Inorganic chemistry, Nanomaterials and Catalysis

Area of Research: Nano materials, synthesis, characterization and

Applications, photocatalyst, heterogeneous catalysis, metal organic frame works

Email: drikramahmad@uosahiwal.edu.pk

	<p>DR. SHAFIA IFTEKHAR (ON DEPUTATION) ASSITANT PROFESSOR <i>PhD Chemistry</i> <i>Norwegian university of science and Technology, Norway</i> Specialization: <i>Ph.D (Analytical chemistry)</i> Area of Reseachr: <i>Analytical and environmental sciences</i> Email: shafia@uosahiwal.edu.pk</p>
	<p>DR. KOMAL RIZWAN (ON DUTY) ASSITANT PROFESSOR <i>Postdoc: University of Pennsylvania, USA</i> <i>PhD Chemistry: Government College University Faisalabad, Pakistan</i> Specialization: <i>Organic Chemistry</i> Area of Research: <i>Organic Synthesis, Photoredox Catalysis, Porphyrin chemistry, Medicinal Chemistry, Natural Products Chemistry and Computational Chemistry.</i> Email: drkomalrizwan@uosahiwal.edu.pk</p>
	<p>DR. MUHAMMAD AHMAD (ON DUTY) ASSITANT PROFESSOR <i>PhD Chemistry</i> <i>The Islamia University of Bahawalpur, Pakistan</i> <i>Postdoc: Universiti Kuala Lumpur, MICET, Alor Gajah , Malaysia</i> Specialization: <i>Analytical Chemistry</i> Area of Research: <i>Water treatment, biochar production, characterization and applications</i> Email: m.ahmad@uosahiwal.edu.pk</p>

	<p>DR. LUBNA RASOOL (ON DUTY) LECTURER <i>PhD Chemistry</i> <i>University of Agriculture Faisalabad</i> Specialization: <i>Biochemistry</i> Area of Research: <i>Plant Microbe Interaction</i> Email: lubnarasool@uosahawal.edu.pk</p>
	<p>DR. TARIQ JAVED (ON DUTY) LECTURER <i>PhD Chemistry</i> <i>The Islamia University of Bahawalpur, Pakistan</i> Specialization: <i>Physical Chemistry</i> Area of Research: <i>Surface Chemistry, water treatment,</i> Email: mtariq@uosahawal.edu.pk</p>
	<p>DR. JAVED IQBAL (ON DUTY) LECTURER <i>PhD Chemistry</i> <i>Government College University Lahore</i> Specialization: <i>inorganic chemistry</i> Area of Research: <i>Synthesis of heterocyclic compounds and their complexes by conventional as well as microwave-assisted protocols</i> Email: javediqbal@uosahawal.edu.pk</p>

	<p>DR. HAJIRA REHMAN (ON DUTY) LECTURER <i>PhD Chemistry</i> <i>Punjab University Lahore</i> Specialization: <i>Analytical Chemistry</i> Area of Research: <i>Spectroscopic and analytical chemistry, drug synthesis, metal oxides nanomaterials (synthesis & characterization).</i> Email : hajrarehman@uosahawal.edu.pk</p>
	<p>DR. MUHAMMAD ADNAN AYUB (ON DUTY) LECTURER <i>PhD Chemistry</i> <i>University of Agriculture Faisalabad, Pakistan</i> Specialization: <i>Analytical chemistry</i> Area of Research: <i>Natural Product Isolation, Medicinal chemistry, Food chemistry</i> Email: adnanayub@uosahawal.edu.pk</p>
	<p>DR. FATIQA ZAFAR (ON DUTY) LECTURER <i>PhD Chemistry</i> <i>University of Agriculture, Faisalabad, Pakistan</i> Specialization: <i>Organic Chemistry</i> Area of Research: <i>Nano technology and Natural Product</i> Email: fatiqazafar@uosahawal.edu.pk</p>

	<p>DR. SOHAIL SHAHZAD (ON DUTY) LECTURER <i>PhD Chemistry</i> <i>The Islamia University of Bahawalpur, Pakistan</i> Specialization: <i>Organic Chemistry</i> Area of Research: <i>Organic synthesis, Synthesis of smart anti-bacterialwound dressings, development of novel biomaterials for skin tissue engineering applications and polymer chemistry/forensic chemistry</i> Email: drsohail@uosahawal.edu.pk</p>
---	---

Degree Programs

BS Chemistry: BS Chemistry, four-year degree program enables students for their competitive place in the job market as chemistry is closely associated field with other professional degrees such as chemical, environmental, bio & process engineering along with certain other fields like forensic science & pharmacy. The degree has wide scope in industry, research, academia and public sector laboratories for water testing & treatment, health and soil testing labs.

For admission in BS Chemistry, Intermediate (F.Sc pre- medical/ pre-engineering disciplines with 45 % marks is mandatory.

UNIVERSITY OF SAHIWAL

DEPARTMENT OF CHEMISTRY

PROGRAM DETAIL OF B.S (Chemistry)

Course Title	
SEMESTER-I	
Applications of Information & Communication Technologies (ICT)	3-0
Functional English	3-0
Functional Biology (Natural Sciences)	3-0
Quantitative Reasoning-I	3-0
Ideology and Constitution of Pakistan	2-0
Inorganic Chemistry-I	3-1
Translation of Holy Quran-I	0-0
SEMESTER-II	

Expository Writing	3-0
Entrepreneuership	2-0
Quantitative Reasoning-II	3-0
Electronics & Modern Physics	3-0
Fuel Chemistry	3-0
Organic Chemistry-I	3-1
SEMESTER-III	
Applied Psychology (Arts & Humanities)	2-0
Civics and Community Engagement	2-0
Biodiversity & Conservation	3-0
Human Nutrition and Dietetics	3-0
Applied Chemistry	3-1
Physical Chemistry-I	3-1
Translation of Holy Quran-II	0-0
SEMESTER-IV	
Social Psychology (Social Sciences)	2-0
Islamic Studies/ Ethics	2-0
Environmental Chemistry	3-0
Biochemistry	3-1
Analytical Chemistry-I	3-1
Forensic Science	3-0
SEMESTER-V	
Analytical Chemistry-II	3-1
Inorganic Chemistry-II	3-1
Organic Chemistry-II	3-1
Physical Chemistry-II	3-1
Translation of Holy Quran-III	0-0
SEMESTER-VI	
Analytical Chemistry-III	3-1
Inorganic Chemistry-III	3-1
Organic Chemistry-III	3-1
Physical Chemistry-III	3-1
SEMESTER-VII & VIII	
Advance-I	3-0

Advance-II	3-0
Advance-III	3-0
Advance-Lab	0-2
Field Experience	0-3
Project	0-3
Translation of Holy Quran-IV (Semester VII only)	0-0

Note:

In the last year (Semester VII & VIII each), 3 courses (03 credit hour each) of opted specializations (Organic/ Inorganic/ Physical/ Analytical/ Applied) will be offered along with a 2 credit hours lab of opted field. Furthermore, in VII semester, Internship/ Field Experience (3 credit hours) will be offered while in VIII semester a Project (3 credit hours) will be offered.

BS Applied Chemistry: BS Applied Chemistry is a 04-year degree program targeted for not only industrial sector jobs but also to prepare students for academia & research in applied/ industrial area of the subject. Program include intensive courses related to applied & industrial chemistry along with foundation courses related to other main branches of Chemistry.

For admission in BS Applied Chemistry, Intermediate (F.Sc pre medical/ pre-engineering disciplines with 45 % marks is mandatory.

Scheme of Studies for

BS (Applied Chemistry)

COURSE TITLE	CREDIT HOURS
SEMESTER-I	
Applications of Information & Communication Technologies (ICT)	3-0
Functional English	3-0
Introduction to Food Science (Natural Sciences)	3-0
Quantitative Reasoning-I	3-0
Ideology and Constitution of Pakistan	2-0
Fundamentals of Applied Chemistry	3-1

Advance-II	3-0

Advance-III	3-0
Advance-Lab	0-2
Field Experience	0-3
Project	0-3
Translation of Holy Quran-IV (Semester VII only)	0-0

Note:

In the last year (Semester VII & VIII each), 3 courses (03 credit hour each) of opted specializations (General Applied Chemistry/ Polymer Chemistry) will be offered along with a 2 credit hours lab of opted field. Furthermore, in VII semester, Internship/ Field Experience (3 credit hours) will be offered while in VIII semester a Project (3 credit hours) will be offered.

M.Phil Chemistry

M.Phil Chemistry, 02 years research-based degree is designed to meet emerging needs of academia & industry where highly qualified individuals are required. Program offers 08 theory courses from various disciplines in first & second semester and one year research thesis Program to nourish and train students for a good career in industry, academia & research.

For Admission in M.Phil Chemistry, at least 2.7 CGPA (out of 4) in Semester System BS/ M.Sc or equivalent education in relevant subject. The student must have completed 16 years of schooling/ education. Furthermore, entry test as per HEC policy (qualified GAT/ GRE test shall be accepted OR Departmental Admission test in the relevant subject for which passing marks shall be 60% and test will be conducted by Departmental Admission Committee).

Scheme of Studies for

M.Phil Chemistry

Semester	Courses	Total credit hours
1	4 Taught courses x 3 credit hour each	12
2	4 Taught courses x 3 credit hour each	12
3-4	Research ,Thesis and Defence	6

In Semester I & II, Students are offered courses form approved list of courses from various branches of Chemistry.

Departmental Events

Launching of New 4 Years BS Applied Chemistry Program and Orientation of newly admitted BS Chemistry, Applied Chemistry and MPhil Chemistry students (Fall semester 2022):

International Symposium entitled: “Nanomaterials Morphologies for Sustainable Applications”:

MPhil Chemistry students Educational Industrial trip to Highnoon Laboratories Pvt. Ltd. Lahore:

Department of Physics

	<p>Dr. Hafiz Tariq Masood (HEC Approved PhD Supervisor) Assistant Professor and Incharge Department of Physics PhD, University of Science and Technology of China. Post Doctorate, Zhejiang University Hangzhou, China. Specialization: Condense Matter Physics, Thin Film Solar Cells, Semiconductor Devices Email: tariq@uosahawal.edu.pk</p>

<p>Academic Programs</p>	<p>BS (4-years) Physics (Morning/ Self Supporting) MPhil Physics (Self-Supporting)</p>
<p>Eligibility Criteria</p>	<p>Undergraduate Program Qualification: BS Physics Qualification F. Sc (Pre-Engineering/Pre-Medical)/ICS with at least 45% aggregate marks and Physics as elective course MPhil Physics Qualification: At least 2.7 CGPA (out of 4.0) in Semester System in BS/M.Sc/Equivalent Education in relevant subject Candidate must have completed 16 years of schooling/education. As per HEC policy, candidate must have passed GAT General/GRE test OR Candidate must have to pass Departmental Admission Test with 60% marks conducted by Departmental Admission Committee.</p>

Teaching Faculty:

Dr. Muhammad Asif Nawaz

(HEC Approved PhD Supervisor)

Assistant Professor

PhD, Islamia University of Bahawalpur

Specialization: Semi-conducting Materials

Email: masif@uosahiwal.edu.pk

Dr. Uzma Khlaq

Assistant Professor

PhD, Govt. College University Lahore.

Specialization: Synthesizing Transition metal nitrides

Email: uikhlaq@uosahiwal.edu.pk

Dr. Muhammad Rafique

(HEC Approved PhD Supervisor)

Assistant Professor

PhD, University of Engineering and Technology (UET),
Lahore

Specialization: Nanotechnology, Condense Matter
Physics, Energy Materials & Devices, Laser Physics.

Email: mrafique@uosahiwal.edu.pk

Dr. Sarmad Masood Shaheen

Assistant Professor

PhD, Chinese Academy of Sciences, Beijing, China

Specialization: Particle and Nuclear Physics

Email: sarmadmasood@uosahiwal.edu.pk

Mr. Muhammad Shakeel Anwar

Lecturer

M.Phil, Physics, University of Engineering and
Technology (UET) Lahore

Specialization: Device fabrication

Email: shakeelanwar@uosahiwal.edu.pk

Dr. Muhammad Asim Shahzad

Lecturer

PhD Physics, Islamia University of Bahawalpur

Specialization: Material Physics, Growth of Nano-
Materials

Email: masim@uosahiwal.edu.pk

Mr. Abdul Rehman

Lecturer

M.Phil, Physics, Pakistan Institute of Engineering & Applied Sciences Islamabad (PIEAS) **Specialization:** Biophotonics, Density Functional Theory (DFT).

Email: arehman@uosahiwal.edu.pk

Department Introduction

The Department of Physics at University of Sahiwal was established in 2015. The main purpose is to provide quality education and basic understanding of Physics to the students. The Department of Physics is equipped with two modern Physics Labs for the skill development in many areas. The course study at BS levels, educates the participants with various aspects of matter, motion, energy, time, and so on. There exist ample master level courses for candidates who are interested in higher education. Apart from this, the candidates can seek career opportunities in research and development, science, education, and other related areas. Higher education after BS/MSc degree increases the proximity to get into a high designation job with rewarding compensation packages. The tools of the physicist-observation, imagination, model building, prediction, and deduction will enable physics to continue this influence into the new century. The Bachelor of Science in Physics degree

program is designed to provide the skills, understanding, and outlook required for participation in the discovery of new knowledge about nature.

MPhil Physics Program, Department of Physics

Introduction

The Department of Physics was established in 2015 and is offering the undergraduate and postgraduate programs in Physics. The department is well equipped with basic Physics Laboratories and is developing state of the art advanced and research laboratories. The department is enriched with highly qualified and well-recognized faculty including seven PhD and three MPhil faculty members. The active research areas, both in theoretical and experimental, include condense matter physics, energy materials, renewable energy devices, semiconductor materials, particle physics, laser physics, medical physics, nanoscience and nanotechnology, etc. The department and faculty also have a number of national and international collaborations to strengthen the students with modern and latest research trends

and activities. The graduates of this department can start career in the educational and research organizations and industries.

Scheme of Study and Semester-wise Breakup:

Semester I	Semester II
Quantum Mechanics-I	Graduate Level Physics Course
Electrodynamics-I	Graduate Level Physics Course
Mathematical Methods of Physics	Graduate Level Physics Course
Graduate Level Physics Course	Graduate Level Physics Course

Semester III & IV
1. Research Thesis

Total Credit Hours:

The minimum credit hours for award of MPhil Physics degree will be thirty (30).

<p>Brief Introduction of the Department</p>		<p>The Department of Mathematics at University of Sahiwal was established in 2022. Mathematics is a science of numbers, logics, shapes, abstract structures and arrangements. It is learning of various Mathematical tools which are helpful in solving problems of sciences and technology. The Department is bestowed with highly educated, dedicated, and hardworking faculty who is actively involved in teaching and research. The courses taught at the Department are rigorous and demanding curriculum across the whole range of the mathematical sciences. These courses bring depth in specialized areas. Currently, department is offering 4-years BS program in Mathematics. Graduates of the University are expected to apply their skills to solve multifaceted problems in an ever-changing world and mathematics plays a vital part in cultivating the skills and framework needed to tackle such challenges. It is also one of the best supporting subjects for many other disciplines. Graduates from the department take up positions in diverse fields like teaching, research, banking, industry and planning etc. If you are a potential undergraduate student, we invite you</p>

	to join us in exploring the exciting opportunities.

Faculty of Social Sciences

Department of Applied Psychology

Introduction

The Department of Applied Psychology is a specialized academic department that focuses on the practical application of psychological theories and research to real-world issues. Applied Psychology uses psychological principles and methods to address practical problems and promote positive change in individuals, groups, organizations, and society.

The department offer graduate program in the clinical Psychology. The faculty in the Department of Applied Psychology is typically practitioners and scholars with expertise in specific areas of Psychology, and they conduct research, offer clinical services, and provide consulting services to various organizations and communities. Students in the department are trained in both the theoretical foundations of Psychology and the practical skills necessary to apply psychological principles to real-world problems.

Vision

The Applied Psychology Department strives to be a world-class center of excellence in psychological research, education, and clinical practice. Our vision is to promote the understanding of human behavior and mental processes through scientific inquiry, and to use this knowledge to advance individual and societal well-being.

Mission

The mission of the Applied Psychology Department is to provide high-quality education and training in psychology, conduct cutting-edge research, and provide evidence-based clinical services to the community. We are committed to fostering an environment of diversity, inclusivity, and mutual respect among faculty, staff, and students. We strive to produce graduates who are knowledgeable, ethical, and skilled in applying psychological principles to real-world issues. Through our research, we aim to advance knowledge in Psychology and related fields, and to contribute to the development of evidence-based interventions that improve the lives of individuals and communities. We seek to engage with the broader community to promote awareness and understanding of the value of psychological research and practice.

Advance Diploma in Clinical Psychology (Self Supporting) (01Year).

MS Clinical Psychology (Self-Supporting)

BS Applied Psychology

The **BS Applied Psychology** program is an undergraduate degree program that focuses on the practical application of psychological theories and methods to real-world issues. The program aims to develop students' knowledge and skills in the areas of human behavior, mental processes, and the application of psychological principles to various settings, including clinical, educational, organizational, and community contexts.

The curriculum of the program typically includes foundational courses in Psychology, such as developmental psychology, social psychology, cognitive Psychology, and abnormal psychology, as well as courses in research methods, statistics, and psychological assessment. Students may also have the opportunity to specialize in a particular area of applied psychology, such as clinical psychology, or industrial-organizational psychology.

In addition to classroom learning, the BS Applied Psychology program also provide students with practical training opportunities, such as internships, practicums, or research projects, where they can apply their knowledge and skills in real-world settings. These experiences can help students develop professional skills, gain hands-on experience, and make connections in the field.

Graduates of the program may pursue careers in various fields, such as mental health services, human resources, education, research, and community services. They may also go on to pursue advanced degrees in psychology or related fields, such as counseling, social work, or business.

Advanced Diploma in Clinical Psychology (ADCP)

The **Advanced Diploma in Clinical Psychology** is a postgraduate diploma program that provides advanced training in the practice of clinical psychology. The program aims to prepare students for professional practice as clinical psychologists by developing their knowledge and skills in assessment, diagnosis, treatment, and research related to mental health and psychological disorders. The curriculum of the program typically includes advanced coursework in various areas of clinical psychology, such as psychotherapy, psychopathology, neuropsychology, and cognitive-behavioral therapy. Students also receive training in research methods, statistics, and ethical issues in clinical practice.

In addition to classroom learning, the program also requires students to complete supervised clinical practicum or internship experiences, where they can gain hands-on experience in working with clients with mental health disorders. These experiences can help students

develop their clinical skills and professional identity as clinical psychologists. Graduates of the program may pursue careers as clinical psychologists in various settings, such as hospitals, clinics, private practices, or research institutions. They may also go on to pursue doctoral programs in clinical psychology or related fields.

MS Clinical Psychology

The **MS Clinical Psychology** is a graduate degree program that provides advanced training in the assessment, diagnosis, and treatment of mental health disorders. The program aims to prepare students for professional practice as clinical psychologists or for further doctoral study in clinical psychology or related fields. The curriculum of the program typically includes advanced coursework in various areas of clinical psychology, such as psychological assessment, psychotherapy, neuropsychology, and research methods. Students may also receive training in ethical and professional issues in clinical practice, as well as in cultural and diversity issues in mental health.

In addition to classroom learning, the program also requires students to complete supervised clinical practicum or internship experiences, where they can gain hands-on experience in

working with clients with mental health disorders. These experiences can help students develop their clinical skills and professional identity as clinical psychologists. Graduates of the program may pursue careers as clinical psychologists in various settings, such as hospitals, clinics, private practices, or research institutions. They may also go on to pursue doctoral programs in clinical psychology or related fields, or pursue careers in other areas of mental health, such as counseling, social work, or research.

Admission / Re-admission / Fee Refund Policy

Admission Policy

The following provisions will be followed for admissions from Fall 2023.

A candidate who has passed all subjects 1st year exam, with at least 45% marks or minimum percentage marks as may be required for any degree program, may apply for admission with condition that the candidate will have to pass 2nd year exams to fulfil minimum marks required for admission in concerned degree program.

The admissions based on 1st year exam will be made provisionally. If a candidate fails in 2nd year exam or failed to maintain minimum marks meant for degree program in which he / she has already secured admission based on 1st year result, his / her admission will be cancelled. His/her fee will be refunded as per policy of the University of Sahiwal.

Any departments, where admissions could not be completed due to a smaller number of qualified candidates or admissions are cancelled due to above mentioned circumstances, may fill vacant seats after declaration of results of 2nd year.

Such admissions will be made based on merit amongst newly passed candidates provided they had already applied admissions based on 1st year result. However, no admissions will be made after two weeks from commencement of classes.

A candidate may also apply for admission based on 2nd year result if he / she has already completed his / her intermediate exams before the closing date of admissions by the University. The merit for such candidates will be determined based on percentage marks obtained in intermediate exams viz-a-viz students who have applied on 1st year exam.

No student can claim admission based on 2nd year result merely because he / she has secured more marks than the students already admitted.

The merit lists will not be revised based on 2nd year results. The students, if admitted after 2nd year result, will stand below in merit lists even if they secure more marks than already admitted students.

A student once admitted will not be moved from evening to morning or morning to evening program after 2nd year result.

Applications for admission will be submitted online.

For submitting the application form, the candidate is required to:

Submit a separate application form for each program, if applying in more than one discipline/program.

Deposit a separate fee voucher for each application form.

Submit attested photocopies of the following documents:

- Matriculation Certificate
- FA/F.Sc/Equivalent Certificate
- MA/M.Sc/BS/LLB or equivalent education (if applicable)
- CNIC/B-Form of the candidate
- CNIC of Father/Guardian of the candidate
- Three (3) passport size pictures (in blue background) of the candidate (attested from back side)
- NOC from concerned Board / University (other than BISE Sahiwal and University of Sahiwal)
- Hafiz-e-Quran certificate issued from relevant authority (if applicable)
- Sports certificate of District Level / Board / University/Concerned College (if applicable)
- Disability certificate issued by the Social Welfare Department

No student will have right to claim change in section or class or shift after finalization of admissions and formation of classes by the concerned department.

All the merit lists will be displayed on the university website and notice boards of the concerned departments as per notified schedule. No candidate will be informed personally.

Minimum requirement for starting the class in any discipline/program is 20 students per class/section.

All educational certificates/degrees will be verified by the University.

Presentation of incorrect/false/forged/fraudulent information or document(s) in connection with admission is a criminal offense and the University reserves the right to initiate appropriate legal action against the candidate.

Any person who has attained the age of twenty-four years or more on the last date fixed for the receipt of the applications for admissions shall not be admitted to BS / LLB or equivalent undergraduate programmes. However, there shall be no age limit for Disable/Special Students. (Vide Notification No.S.O.(A-III)1-83/2012 dated 7/11/2013 issued by Punjab Higher Education Department).

If there is a tie between two or more candidates having equal merit in BS/LLB or equivalent programs, their merit shall be determined based on the marks obtained by them in the FA/FSc or equivalent examination. If that is also equal, then marks in Matriculation shall be considered. Thereafter, if the candidates have equal merit, the candidate older in age shall be given preference over the younger in age. Similarly in case of tie between two or more candidates for admission in MS / MPhil /LLM program, the above said criteria shall apply *mutatis mutandis*.

An authenticated certificate in respect of Hafiz-e-Qur'an must be attached with the original admission application, failing which no credit shall be given.

A student will get credit of Hafiz-e-Qur'an after passing oral Hifz test conducted by the committee to be formed by the Vice Chancellor.

Those students who have obtained degree in the University of Sahiwal are not eligible for any same level degree admission in any Department of the University.

All University Rules and Regulations shall be applicable subject to change owing to the current COVID-19 Crisis/Government Policy.

Any reserved seat which remains unfilled other than nominees from Azad Kashmir / Northern Areas / Baluchistan / FATA, may, with the approval of the Vice- Chancellor, be transferred to the Merit Quota.

However, if no application is received on reserved seat, that may be converted into open merit under rule-15 152.

Such seats may be considered and included preferably in first merit list with the approval of the Vice-Chancellor on the recommendation of the Chairman, Admissions Committee.

Readmission Policy

There will be no re admissions for drop out student.

Any student, who was rusticated, expelled, or whose entry in any College/University Campus was banned by the University for any reason whatsoever or any person declared persona non-grata shall not be admitted in the University at any degree level.

All issues/queries connected with admissions shall be resolved by the Admissions Committee.

Refund of Fees under Regular Programs

Fees and Funds (University and Departmental dues) of a student are transferable to any other Department of University of Sahiwal subject to the approval of Chairman, Admissions Committee.

If a student withdraws or cancels his / her admission after closing of admissions in a regular program, no fee will be refunded except amount of security and examination fee.

All dues shall be refundable in case of cancellation of admission granted due to mistake, miscalculation, neglect, or omission by University of Sahiwal.

Dues shall not be refundable in case of cancellation of admission based on (i) misstatements, (ii) incorrect information, (iii) concealment of facts, (iv) fake certificates and (v) use of any other unfair means on the part of an applicant.

Any over payment shall be refundable after the fulfilment of all official formalities.

The amount of security shall be refundable within three years of the last date of admission.

Refund of Fee under Self-Supporting Programs

If a student does not intend to continue his studies due to death/disability of his / her father/guardian, full fee may be refunded.

In case of death or physical or mental incapacity of the student, fee may be refunded. However, the amount of refund shall be determined by the Vice-Chancellor according to the circumstances of the case.

Where a candidate has got admission in a regular class against merit/reserved seat, in the University, the amount, if any, already paid on Self Supporting program may be refunded after one month of the closing date of admission.

The Vice-Chancellor may allow refund to any student on compassionate ground, resulting from circumstances beyond his / her control.

Where a student withdraws his / her admission, the following rules shall be followed for refund of fee according to the HEC Policy for self-supporting programmes:

Tuition Fee Refund	Timeline for Semester System
Full (100%)	Up to 7 th day of convene of classes
Half (50%)	From 8 th -15 th day of convene of classes
No Fee (0%)	From 16 th day of convene of classes

All applications for fee refund cases shall be addressed to the Treasurer Office through the Chairperson / Teacher Incharge of concerned department.

Any admission made in contravention of these rules shall be void.

Break-Up of Seats for MS/MPhil Programs*

Sr. No.	Name of Degree Program	Total Seats
1	PhD Business Administration	06
2	MS Business Administration	40
3	MPhil Economics	30
4	MPhil English Linguistics	45
5	LLM	30

University Facility

University Library

We provide diverse and user-focused services and collections in an inviting, collaborative and innovative learning environment. Library team is helping all the relevant stakeholders to locate, select and acquire the information which you need from what may seem like a rather daunting mountain of material. By combining the latest information technology, the staff builds and maintains a rich information environment, facilitates access to it, and creates a place that functions as a hub of University of Sahiwal scholarly activity where students, academic staff and researchers meet to interact with librarians and expert staff for collections and collaborate of data. We hope you will use the library as a place of learning, information and communication. You can make use of our electronic resources, library facilities like Reference & Research Support Services, Circulation Services, Document Delivery Services (DDS), Interlibrary Loan, Press Clippings and Table of Contents Services (TOC). We also offer online literature searching techniques, citations management tools (Endnote Zotero and Mendeley), how to avoid plagiarism, research topic selection, research proposal, literature review step by step, data analysis tool and plagiarism check & publication support.

Cafeteria Facility

University Counselling Centre(UCC)

Mental health is very important for peaceful living, maintain relationships, and achieving academic success. University of Sahiwal is facilitating our students by offering counselling services to overcome their psychological issues. The aim of this centre is to overcome all psychological issues facing by the students and unable to cope their stress level, anxiety, adjustment issues, learning difficulties, and unable to resolve their problems in a productive manner. This centre is providing good opportunities to psychology students to complete their placement in the same institution. Students can approach to UCC by oneself, or referred from the respective departments. UCC offered assessment, diagnosis, and treatment facilities through counselling and psychotherapy sessions to students and staff members. Another facility of UCC is psychological testing and person know about oneself by assessing their multiple domains such as IQ, EQ, personality, aptitude, personal preferences and interest level. Finally, hope to see all the students and staff optimal level in psychological, emotional, and social wellbeing.
